Brayden Vinge was named the 2008 recipient of the St. Paul Education Regional Division No. 1's Grade 6 Academic Award by School Board chairman Darrell Youngmans at Elk Point Elementary School's Awards Day on Friday.

Vinge was also among the Grace Franks Award and Academic Honours recipients for Grade 6A.

"It goes without saying that we strive to have our students consistently achieving higher academic standards and we are pleased when they do," Youngmans said as he brought greetings from the board and central office.

"The longer I'm involved in our schools, the more I realize that it is of the utmost importance that at the end of a student's school years, we make sure we have educated the whole student. By that, I mean we turn out well-rounded, civic-minded individuals, in essence, good citizens.

"Growing good citizens is something we must all participate in. Show our kids what it means to be good citizens, do more volunteering, help your neighbours and show them that you can do something without expecting something in return."

Youngmans later presented Citizenship awards to: Grade 3A – Dawson Delorme, Kayla Ford, Bowen Krider, Olivia Rose Leaf, Kelly Raymond; Grade 3B – Matthew Fuller, Amy Harms, Savannah Lawrence, Jewel Poitras, Haylee Vinge; Grade 4A – Carson Ference, Bryce Osinchuk, Rosie Sam, Emily Thompson; Grade 4B – Shawn Bzowy, Sydney Hardcastle, Hannah Ludlage, Colin Nazarchuk, Todd Tilley; Grade 5A – Tristan Delorme, Aerin Finn, Brooke Gormley, Kassandra Moores, Tamelle Pilisko; Grade 5B – Alexis Bristow, Madison McGee, Ryleigh Trotchie, Kevin Tuliao, Faith Ziomek; Grade 6A – Dustin Demers, Zoe Friesen, Cale Henderson, Lisa Vallee; Grade 6B – Stephanie Ferris, Cheyenne Lawrence, Madeline Ludlage.

Elk Point the right place to be on Canada Day

By VICKI BROOKER
Review Staff

Elk Point is holding firm on their tradition of hosting one of the biggest Canada Day celebrations in northeast Alberta, with the 2008 lineup of non-stop activity from 8 a.m. until after 11 p.m.

The traditional Canada Day pancake breakfast, which includes live entertainment, will still be going strong as floats and other parade entries start to line up for the judges' perusal. The breakfast will barely be finished when the parade heads north on Main Street at 11 a.m., led once again by the bicycle parade, scarlet-coated RCMP and the Vermilion pipe band.

By the time the final bagpipe notes are fading away, the A. G. Ross Arena will be opening its doors, with a display

of historical information about the area's one-room schools, collected by Ray Hellquist, in the Horizon Room. This display was part of last year's Centennial celebrations and proved so popular that it is being brought back to give more people the opportunity to view the wealth of photos, class lists and more.

Food concessions in the arena and by the outdoor stage also open at noon.

Former Elk Point resident Travis Pankiw is the headliner for the afternoon stage show, which also features local dance groups and vocalists, and the youngsters will be kept entertained with a whole series of games and activities on the outdoor skating rink just north of the arena.

There's more fun to come after the stage show, when the action moves downtown, as the area's strongest men test

their prowess at lifting, dragging and wrestling heavy objects in the Strong Man competition.

Just half a block away, a display of paintings by the late Ralph Kryvenchuk, who also taught painting classes for many years, will highlight an art show in the Elks Hall basement, while upstairs the Elks will be gearing up to serve their beef-on-a-bun supper.

Then it's time for the Farm Survival Race, and the organizers are still being close-mouthed about what will be on the agenda for the competing teams. Whatever is up their sleeves is sure to be fun for participants and crowd alike.

The Canada Day Idol competition is new this year, but organizer Dee Pankiw says she has a full lineup of 21 competitors on the program.

Fireworks will be a colourful end to the day at 11 p.m.

What you need to know about West Nile virus

"I ended up being sick for three weeks, and the most frightening part was not knowing if it would keep getting worse."

– Coreen, Bow Island, AB
West Nile fever survivor

West Nile virus remains a health concern for all Albertans. Those over the age of 50 are at greater risk of becoming seriously ill when infected with West Nile virus.

- Your best protection is insect repellent with DEET. Used as directed, DEET has an excellent safety record.
- Products with lemon eucalyptus oil are effective for shorter periods of time.
- Wear long-sleeved shirts and pants at dusk and dawn when mosquitoes are most active.

Celebrating Canada

Our nation celebrates 141 years of Confederation this Canada Day, and communities from sea to shining sea will unfurl their flags, light up the fireworks and tune up their trumpets in honour of our home and native land.

For 364 days of the year (365 in leap years such as this), Canadians as a whole are a bit ho-hum about the patriotic thing, at least as compared to our next-door neighbours, who proudly fly their Stars and Stripes all year long and belt out the Star-Spangled Banner on every possible occasion.

On Canada Day, however, we make up for it, with a day-long lineup of parades, parties, pancakes, entertainment, sporting events, dances and other festivities. For one day of the year, we go all out to show how proud we are of our country and how glad we are to be part of its population.

Canada is a land of beauty, opportunity and immense natural resources that makes it the envy of other nations. We celebrate its diversity, its unique character, its mountains, forests, plains and rivers.

This land is our land. Celebrate it!

HERE'S THE NEWS THAT MADE THE HEADLINES OF THE LAKELAND REVIEW AND ELK POINT REVIEW FOR THE WEEK OF JULY 1 IN...

1988

MLA John Drobot related the history of the Stony Lake area as he officiated at the official opening of the Stony Lake Municipal Recreation Area, noting that the lake had gotten its name back in 1760 in recognition of the Stony band who fished its waters and those of the creeks nearby. Parents of F. G. Miller High School students packed the Community Services Centre to demand that at least part of the high school classes be changed to the semester system.

1993

Elk Point got ready to serve the public to the best of their ability with 27 participants representing 18 businesses taking part in the Alberta Best staff training seminar. Jason Kalynchuk, Taryn Shankowski, Kyla Ference, Kristyn Ballas, Robyn Schade, Eva Gusnowski, Jasmine Brown, Kirsty Lindquist, George Danyluk, Colton Hoffman, Brian Poiras, April Gusnowski, Carson Mutch, Carlen Mutch, Dawn Dale, Joanne deMoissac, Dorielle Richard, Vickie Jamieson, Shalene Slywka, Holly Henry and Aleisha Birkett all won Grace Franks awards as the top students in each class at Elk Point Elementary School's Awards Day.

1998

A small but enthusiastic crowd attended the Canada Day gospel concert, which featured country gospel singer and songwriter Darryl Fraess and a number of local entertainers, including Sarah Schade and Michelle Friesen. The first-ever Regional Division award was presented at Elk Point Elementary Awards Day by school board trustee Ray Danyluk to acknowledge the achievements of Erica Lind, who won a nation-wide writing contest.

2003

The Town of Elk Point's long awaited new fire truck arrived, just days ahead of the new county fire truck, to provide the area with improved fire protection. Principal Don Conrad retired from Elk Point Elementary School after 33 years in the classroom, 23 of them as principal.

GUEST COLUMN

Happy Birthday, Canada

deanna
EASTHOPE

from the FCSS desk

Tuesday July 1, 2008 is Canada's 141st birthday. Let us all be proud and sing our National Anthem sometime today. Our National Anthem does have a history. "O Canada" was proclaimed Canada's national anthem on July 1, 1980, 100 years after it was first sung on June 24, 1880. The music was composed by Calixa Lavallee, a well-known composer; French lyrics to accompany the music were written by Sir Adolphe-Basile Routhier. The

song gained steadily in popularity. Many English versions have appeared over the years. The version on which the official English lyrics are based was written in 1908 by Mr. Justice Robert Stanley Weir. The official English version includes changes recommended in 1968 by a Special Joint Committee of the Senate and House of Commons. The French lyrics remain unaltered. All four verses are as follows.

O CANADA

O Canada! Our home and native land!

True patriot love in all thy sons command.

With glowing hearts we see thee rise

The True North, strong and free.

From far and wide, O Canada,

We stand on guard for thee

God keep our land Glorious and free!

Refrain:

O Canada we stand on guard for thee,

O Canada! We stand on guard for thee

O Canada!! Where pines and maples grow.

Great prairies spread and lordly rivers flow.

How dear to us they broad domain, From East to western sea!

Thou land of hope for all who toil! Thou true North strong and free

Refrain: O Canada! etc.

O Canada! Beneath thy shining skies May stalwart sons and gentle maid-ens rise

To keep thee steadfast through the years

From East to Western sea, Our own beloved native land,

Our True North strong and free!

Refrain: O Canada! etc.

Ruler supreme Who hearest humble pray'r.

Hold our Dominion in they loving care.

Help us to find, O God; in thee A lasting rich reward,

As waiting for the better day, We ever stand on guard.

Refrain: O Canada! etc.

Elk Point on route of 2009 adventure race

By Vicki Brooker
Review Staff

Organizers of an extensive adventure race are making Elk Point one of the stops along the route, and Anna Leskiw visited Elk Point town council last week to ask for the use of two staging areas for the May 8-10, 2009 weekend.

The race route starts in St. Paul and goes to Lac Bellevue, "then they'll come down the river and up the ditch to Elk Point," Leskiw said. "Then some will go back through Armistice, and some will go on the endurance race through Lindbergh and Moose Mountain." She noted that the Cold Lake air force base is interested in sending runners for the latter event.

The Iron Horse Trail staging area will be appropriate for runners coming in from the river, and town manager Myron Goyan suggested the Agricultural Society be approached for use of their fairgrounds for runners returning from the Moose Mountain route.

Leskiw is hoping to find Elk Point clubs willing to provide food concessions to those participating in the run and for their support crews during the run. Camping areas are also needed.

Leskiw is hoping to find someone familiar with Moose Mountain to provide the organizers with information on trails in that area.

In excess of 200 runners are expected to take part, and Leskiw said she feels this is "an ideal way to showcase our area. It's a lot of work, but we're up for it."

Power problems

Local groups facing difficulty in paying excessively high power bills have approached the town for funding through the operation grant, but the town is going a step further, and has provided facts and figures to the Alberta Urban Municipalities Association for their review. The requests have been tabled until input from the AUMA is received.

Daycare

A letter of support in principle has been sent to the developer of the planned Play 2 Learn Daycare. The town will

provide her with population statistics that could prove useful, and will suggest that the FCSS department also send a letter of support. Goyan and the public works department head are determining the servicing costs for the site of the facility.

FSLW Program

The town has been asked for funding support for their Family School Liaison Worker program. To this point, the County of St. Paul has provided all the funding, but are now changing directions and focusing some of their efforts on the senior population, which "leaves a big gap," Mayor Parrish Tung says. The county will still provide \$30,000 toward the program but towns in the St. Paul Education Regional Division are also being asked to contribute to this much-needed program.

Tung says the current worker, who divides her time between F. G. Miller High School, Elk Point Elementary School and Heinsburg Community School is "a very busy person." He feels Elk Point "has been very lucky" not to have had to pay for the service, which has been provided for both rural and town students.

Coun. Bernice Capjack, a teacher at Elk Point Elementary, told council that, "a lot of town students receive help. It is very much needed."

Council moved to support in principle, pending receipt of the FSLW program and budget, to be reviewed annually.

Eco Centre

Council tabled a decision on guaranteeing the funds for the matching portion of the grant to build the Eco Centre, until the Elk Point Chamber of Commerce provides information on their fundraising for the project.

Economic Development

Economic development coordinator Bob Bezpalko provided a report from the committee, with council subsequently ratifying the appointment of Rod Randall as vice-chair.

He also presented the EDC's operating budget, which was tabled for discussion in camera. It was noted that the EDC is an advisory board and puts forward their ideas for

projects for the town's approval and funding.

Bezpalko provided input on affordable housing grants, which will fund up to \$150,000 per unit for new construction and \$70,000 per unit for renovation of existing property. "It's a straightforward grant," he said, "but we don't know what the needs are, whether it would be rental or for purchase, homes or apartments." I

Mayor Tung thanked him for his report, but said, "I really don't think the town can't afford to start building."

Irvine sets new track record

By Vicki Brooker
Review Staff

Doug Irvine wheeled the B & R Eckels Transport chuckwagon to a new track record on the first night of the Ponoka Stampede last Thursday, with a blistering 1:13.59 run off the fourth barrel in the second heat of the night. He shaved .48 of a second off the previous record, set by Jason Glass.

He was 1.88 seconds faster than Codey McCurrach, who placed second for the night, with Ray Croteau Jr., Troy Dorchester and Luke Tournier filling out the top five

Big stick-up at Elementary

By Vicki Brooker
Review Staff

Grade 2 to 6 students at Elk Point Elementary School could quite truthfully say that some of their teachers and teacher's aides were stuck-up, at least, they were last Wednesday, when the Accelerated Reader Challenge got underway.

Every time a student completed an on-line quiz on a book they had read and scored at or above 85 per

cent, they collected points. Three points for Grade 2 students and five points for those in Grades 3 through 6 earned that student a foot of duct tape, come Challenge day.

Grade 6 collected a total of 133 feet, Grade 3 earned 97 feet, Grade 5 collected 81 feet and Grades 2 and 4 were neck-and-neck with 72 and 74 feet respectively.

What would you do with all that tape? Why, stick

your teacher or teacher's aide to the gym wall, of course.

The teachers and TAs stood on milk crates along the wall as students and other staff applied strip after strip of the sticky grey binding. When all their feet of tape were used up, librarian Diane Dewan called a halt to the proceedings. With one adult on each side to support the stuck-up teachers, a third adult pulled the

crates from beneath their feet, the supporters moved away and Dewan counted to 10. Grade 6 teacher, Mrs. Roche, and Grade 5 TA Miss Morris remained fixed to the wall after Mrs. Bilak, Grade 4, Miss Ockerman, Grade 3, and Mrs. Jenner, Grade 2, came loose and slid to the floor. The two, along with their grades, were declared the Challenge winners, but Dewan had another announcement that brought a huge cheer. The Parent Council's \$250 donation toward the grand prize had been used to purchase Challenge frisbees for everyone to enjoy.

"You're all winners," Dewan affirmed.

Miss Morris and her loyal Grade 5 supporters pose for a victory photo.

Mrs. Roche's Grade 6 gang had the most tape of all to securely fasten her to the gym wall - an entire 133 feet, representing 665 points earned by her students in the Accelerated Reading quizzes.

Fellow Grade 3 teacher Wayne Hymanyk and principal Lorne Young steady taped-up Sandra Ockerman as the crate is pulled out from under her feet.

Sheila Nelson and April Braithwaite aren't really needed to support Mrs. Roche as she hovers above the gym floor, securely taped to the wall.

Summer Reading Program expanded for 2008

Elk Point Municipal Library has announced that Lacy Wandler and Courtney Nauss will be running the Summer Reading Program this year.

This year, for the first time ever, the program has expanded to include an evening session on Mondays at 7 p.m. as well as

Tuesday and Thursday afternoon programs for Grades K to 6 and a Wednesday afternoon program for preschoolers.

The program starts July 7 and includes games, stories, laughs, crafts and tons of fun. There is no fee, but you must register your children for them to take part.

Energy is in high demand. Get your hands on a career to match.

Through our Distance Education programs at the MacPhail School of Energy, you'll get 'hands-on' technical knowledge to get a career in the high-demand energy industry – **anywhere, anytime.**

Sox needed a run

By DOUG BASSETT
Review Sports

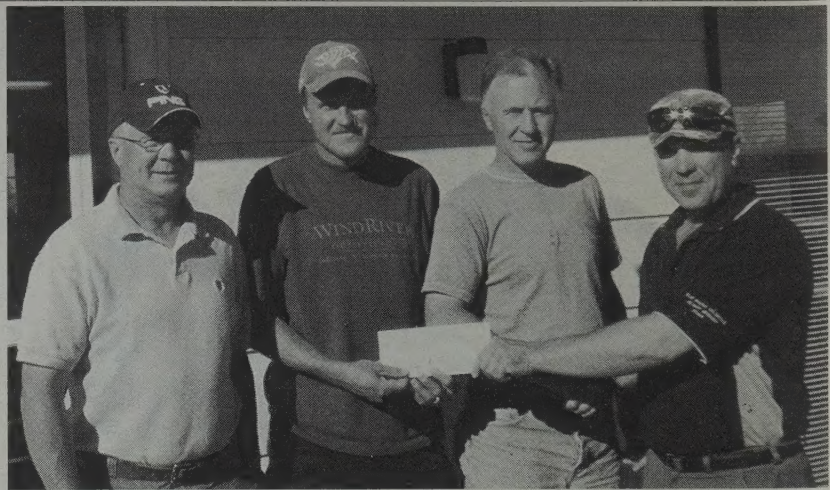

No matter how well you play in the field, you still need to score at least one run to win. It's that simple.

Tuesday night the Sox travelled to "the Big Egg," Vegreville, to do battle with the Bears. The Sox chucker, veteran Sean Joly, pitched a near-perfect game, allowing only three hits in seven innings, one walk and five strike-outs, the Bears scoring two runs in the second inning, one on an error and another on a pass ball. Now, the only problem was, the Sox were

unable to push anyone over the plate and came up with a big goose egg. Two singles by Mike Desjarlais, singles by Jordan Croteau, and Brett Romanovich, four guys getting on with walks, but every time the boys did get on base, they seemed to be daydreaming, maybe thinking about the girls in the stands or the grad, or something else, the Bears picking off our guys four times on the base paths. Normally our guys are very good at stealing bases, having stolen 114 already on the season, but not today. Even still, there

were lots of positives in this game for the Sox, who turned two double plays and shut the Bears down for five complete innings, so really they played well, just not well enough!

And now for the K.A. Campbell quote of the week. "What are we at the park for except to win? I'd trip my mother. I'd help her up, brush her off, and tell her I'm sorry. But Mother don't make it to third." Last week's answer to: "Life will always throw you curves. Just keep fouling them off. The right pitch will come, and when it does, be prepared to run the bases." -Rick Maksian.

Golf Club hosts Playoff Auction Draft

Elk Point Golf Club's first Annual Playoff Auction Draft was a success, with half of the proceeds going out in prize money. Winning first place was "Sure Deal," Dave, Terry, and Jim Mistol, (missing Real Fontaine) who won \$2700.00 going mostly with the Red Wings players. And note: they picked no Leafs!!! Ken Ference made the presentations.

ANNOUNCEMENT

A memorial service will be held for William "Bill" Ringland of Cold Lake, AB. at the Agriplex in the Exhibition Park located on the South East side of Highway 28 coming into Cold Lake South. You are welcome to join Loris and her family in a celebration of Bill's life at 2:00pm on Wednesday July 2, 2008.

IN MEMORIAM

BERG, Dennis

In loving memory of our dear Dennis who was taken from us July 2, 1989.

*The face of our Angel looks out at us each day
We sadly dust your picture and wipe away the tears.
Our hearts ache wishing it were you.
We hold and kiss instead cold hard glass in a frame.*

*Our lives go on without you
But nothing is the same,
We have to bide our heartaches
When someone speaks your name.
Sad are the hearts that love you
Silent the tears that fall,
Living our lives without you
Is the hardest part of all.
You did so many things for us
Your heart was kind and true,
And when we needed someone
We could always count on you.
The special years will not return
When we were all together,
But with the love within our hearts
You will walk with us forever.*

Love and miss you so much.
Mom, Dad, Rusty, Lynn & Family,
Sharon & Family.

Grade 4 Field Trip to Fort George - Buckingham House

By ELK POINT
ELEMENTARY STAFF

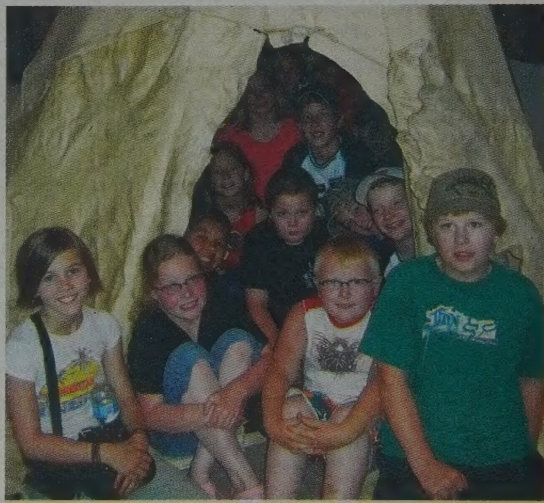

On June 20, 2008 the
Grade 4 Elk Point

Elementary students took a
trip back through time to the
location of two competing
fur trading posts. Students

discovered the stories of the
people who lived, worked
and traded at the forts. The
guided tour through the

gallery allowed the students
to glimpse into the lives of
Louis the voyageur, the
Country Wife, and the
Aboriginal people whose
lives were so affected by the
arrival of the fur traders.
Students walked along a
wooded breath-taking trail
to explore the archeological
remains of the two forts and
stood where history really
happened. The tour also
included the students
becoming real archeolo-
gists, working in teams to
excavate record and solve a
puzzle of the past.

The Hudson's Bay
Company History Founda-
tion provided financial
support for the transporta-
tion, cost of the tour, lunch
and archeological dig.
Footprints made subs for
our lunch and the Elk Point
Bakery provided the deli-
cious doughnuts.

Photos submitted

Elk Point Elementary School's Grade 4 students tried
a teepee on for size (above), dug for artifacts (below)
and walked in the footsteps for the fur traders of over
200 years ago as they visited the sites of Fort George
and Buckingham House on their field trip to the
provincial historic site.

This year has been a tremendous
achievement for the Playgroup. We have
managed to give the play area a total
overhaul with the help of local business-
es and fundraising that included selling
Calahoo Meats and a bake sale at the F.G.
Miller High School Craft Show.

We have had 2 trips with our little ones
to the St. Paul Aquatic Centre and a great
trip to Stoney Lake where everyone
enjoyed the summer weather.

Our year-end party was celebrated at
the Klatt Ranch and we had the opportu-
nity to see lots of animals and enjoy a
